We would like to inform you that, effective immediately, all daily handicaps are now authorized for use during both regular play and tournament play at your esteemed club. This change aims to enhance fairness and competitiveness across all club events.

Furthermore, to streamline your record-keeping process, we kindly request that you download your club's members' handicaps on the 15th and 30th/31st of every month. This will ensure accurate and up-to-date documentation of handicaps for all players.

Your cooperation in adhering to these guidelines is greatly appreciated as we strive to maintain the integrity of our country's handicapping system.

Thank you for your attention to this matter. Should you have any questions or require further assistance, please do not hesitate to contact us.
